

SP-LED300B

LIGHT SOURCE

Power Supply: AC100V~240V 50/60Hz
 Bulb Specification: 300W White LED
 Module
 Temperature: 9000K
 LED Lifespan: 20,000 hours

CONTROL

Pan : 540°; Tilt : 270°
 Pan/Tilt Resolution : 16 bit
 Control Modes: DMX512/RDM Protocol
 Data In/Out socket: 3-pin & 5-pin XLR sockets

EFFECT

Dimming: 0-100% linear electronic dimming
 Strobe: 0.3-25 times/second
 Beam Angle: Zooming 0° to 5° with a 160mm large-diameter output
 Prism: 1 eight-facet prism, 1 (8+16+24 facets) prism
 Color: 14 colors + white full color/half color/linear color with variable-speed bidirectional rainbow effect
 Patterns: 1 fixed gobo wheel - 15 patterns + 2 glass patterns + white, capable of bidirectional variable-speed rotation with variable-speed jitter effect
